INDEX

DEPARTMENT OF COMMERCE

A

Page

Appropriations, 1957, and estimates, 1958 ..... 1, 29, 30, 33
Area Development, Office of 6, 14, 649, 660, 753

B

Budget, 1958, size of 29, 30, 33
Business and Defense Services Administration 6, 13, 657, 714
Business Economics, Office of 7, 15, 658, 743
  Allocation authority 723
  Aragon gas, control of 722
  Census Bureau, transfer to 737
  Certificates of convenience and necessity, issuance of 731
    Tax amortization applications 732
  Commodity standards and ready associations 726, 729
  Defense and AEC programs, support in placement of contracts and channeling of materials 730
  Defense production activities 720
  Executive reserve program 725, 739
  Field offices 727
  Field positions, increase in 1957 over budget presentation 734
  Information, value of 740
  Marketing and distribution activities 724, 725, 728
  Metals, need for information on 738
  Mobilization activities 720, 727
  Services to business 726

C

Census, Bureau of 5, 11, 221, 659, 665
  Business, transportation, manufacturers, and mineral industries 11, 660, 695
  Eighteenth decennial census 12, 660, 702
    Estimated cost of 677
  Salaries and expenses 659, 676, 682
    Defense readiness activities 678, 688
    Foreign trade and shipping statistics 686
    General administration 687
    Manufacturing and industrial statistics 685
    Personnel 694
    State and local governments 687
  Transportation, census of 221
Civil Aeronautics Administration 5, 12, 217, 239
  Air Coordinating Committee recommendation 235, 263
  Air navigation development 366
  Air navigation facilities 12, 312
    Alaska, living quarters in 331
    Communications systems, improvement in 276
    Equipment. (*See also* VORTAC, this index.)
      Adequacy of funds for 271
      Capacity of industry to produce 42
      Comparative costs of 322
      Evaluation of 236
    Landing lights 326

Civil Aeronautics Administration—Continued
Air navigation facilities—Continued Page
Obligations 332
Radar facilities 327
SAGE system, use of 223, 274, 277
Television, use as plane monitor 334
Towers, relocation of 326
User charges for use of 222, 226, 257, 264
VORTAC. (See this title, this index.)
Airport capacity 270
Alaska, Territory of, maintenance and operation of public airports 360
Federal airways plan 222, 248
Grants in aid for airports (liquidation of contract authorizations) 336
Agreements, obligations, and expenditures 339
CAB precertification of projects 371
Clear zone standards required for qualifying for funds 372
Hub airport program 341
Joint use airports, financing of 342
Program, 1959 338
High altitude control 261, 264, 266
Military use of airways 247, 256
Operation and regulation 283
Administrative costs 297, 308
Aircraft 309, 310
Airports 305
Federal airways 287
Flight operations and airworthiness 299
Obligations 286, 307
Other objects 298, 304, 307
Personnel 308
Reductions in 1957 budget, application of 287
Safety records 302
Technical development center 309
Training program 294
Safety in flying 260, 265, 269
Saturation of airways system 254
Trends in aviation 248, 251
Washington National Airport 344
Construction 354
Maintenance and operation 344
Coast and Geodetic Survey 6, 13, 68, 97
Aeronautical charting 108, 109
CAA and CAB, information supplied to 111
Chart and bond paper 109
Field parties' living quarters, policy on arrangements for 118
Geodetic control 110
Highway program, work for States on 105
Nonadministrative items, application of 1957 reductions to 116
Obligations 103, 117
Other objects 112, 115
Personnel:
Administrative division, transfers to 115
Increase in 106, 108, 110, 114
Increase in 1957 over budget presentation for 114
Laying up of ships, reductions as result of 116
Number of 117
Reimbursable work 122
Salaries and expenses 97
Sale of charts, revenues from 124
Surveying ship, construction of 99
Undersecretary on, statement of 65
VORTAC, work in connection with 108, 109, 112, 120

D

Domestic Affairs, Assistant Secretary for 657

F

Page

Foreign Commerce, Bureau of 7, 14, 646
Boycott of American goods 635, 642
Export control 651
Public Law 480, disagreement in administering 633
Red China, trade with 630, 641
Salaries and expenses 648

G

General administration 4, 11, 43
Activities and funds transferred to, 1954 to date 62
Aviation war risk insurance 5, 56
Consultants 63
Increase in, reason for 32, 61
Obligations, statement of 46
Personnel:
Increase in number during 1957 over number requested in budget presentation 63
Number of 32, 53, 62
Salaries and expenses 43
Strategic Information, Office of 20, 51

I

Inland Waterways Corporation 8, 14, 477
International Affairs, Assistant Secretary for 625

M

Maritime activities 7, 15, 218, 237, 373
Foreign registry, transfer of ships to 389
Maritime training 16, 219, 382, 458
Alameda training site, use of 476
Merchant marine, effect of defense planning on 404
Operating differential subsidies 16, 219, 238, 380, 420
Additional voyages 442
Basis for 423, 429
Charter parties, recapture clauses 474
Expenditures for subsidies, 1957 441
Foreign-flag shipping on Great Lakes 432
Need for 423
Payments of 422
Wage rates:
Effect of increased 424, 430
Foreign seafaring wages 436
Standards 430, 438
Reserve fleet 382
Salaries and expenses 16, 219, 381, 444
Government Aid, Office of 449
Obligations 447, 455
Personnel, number of 448, 455
Property and supply, office of 448
Representation allowance, language change for 457
Research on nuclear reactors 451
Reserve fleet expenses 454
Reserve shipyards, maintenance of 452
Transfer and reimbursements 456
Warehouses, maintenance and operation of 453
Ship construction 23, 237, 376, 402
Administrative and warehouse expenses 380, 416
America, replacement 15, 23, 219, 238, 378, 390, 409
Appropriations, 1957 408
Cargo ships 443
Firm agreements, number of 406
Foreign yards, construction in 473
Liberty ships, conversion of 416
New vessels, speed of 388

Maritime activities—Continued
Ship construction—Continued Page
Nuclear program 414
Research and development 379, 412
Ship-replacement program 15, 23, 218, 377, 390, 403
Tankers for companies operating also under foreign flag 384
Unexpended balances 390
Shipyard and warehouse facilities 382
State marine schools 383, 464
Vessel operations revolving fund 469
War Shipping Administration liquidation 467

N

National Bureau of Standards 9, 18, 67, 128
Construction of facilities 19, 198
Architectural fees 211, 213
Deferral on plans, effect of 202, 211
Estimated cost, increase in 200, 201, 213
Obligations 214
Powerplant 216
Site development 208
Utilities, additional cost for 210
Expenses 143
Administration and maintenance 152, 155
Assistance to States 149
Chemistry and metallurgy 148
Congressional control, lack of 156, 164
Mechanics and structures 149
Obligations 145, 167
Personnel:
Authorized and actual employment 166
Increase in 1957 over number requested in budget presentation 154
Physics, electronics, and mathematics 146
Radio sciences and cryogenic engineering 150
Receipts from private sources 174
Gage block research 176
National Science Foundation, relation to 70, 131, 138
Parity conservation 67, 129, 135
Plant and equipment 18, 185
Data processing device 188
Facilities 188, 192
Fire-protection system 192
Obligations 187
Railway scale test equipment 193
Program accomplishments 180
Scientists and engineers, recruiting of 136, 140
Undersecretary on, statement of 65
Working capital fund:
Charges against 157
Congressional control, lack of 156, 164
Employment level 183
General fiscal condition of 168
Income, sources of 173
Operating profit 176
Other agencies, funds transferred from 159, 174, 184, 196
Ratio of administrative costs to labor base 155
Transferred fund program 155, 158, 174, 184, 196

P

Patent Office 8, 16, 69, 71
Backlog, reduction of 85
Funds used for purposes other than for which presented to the Committee 87, 90
Obligations 75, 96

Patent Office—Continued
Personnel: Page
Increase in 1957 over budget presentation for 87, 90
Recruitment of 81, 95
Turnover of 83
Vacancies 94
Printing and reproduction 89, 90
Receipts 89
Salaries and expenses 71
Undersecretary on, statement of 65
Personnel:
Breakdown of, 1952–58 28
Number of 31
Reduction since 1953 10, 39
Regular pay above 52-week base 27
Public Roads, Bureau of 8, 17, 219, 546
Alaska Road Commission, transfer to Commerce 588
Federal-aid highways (trust fund) 219, 552, 584
Active projects 565
Administrative expenses, new system of accounting for 590
American Association of State Highway Officials, contribution to 591
Apportionment of funds by States, 1957–59 557
Expanded program, effect on nation's economy 595
Expenditures, 1957 566
Interstate system program 567, 577
Location of 579, 593, 621
Obligations 587, 589
Personnel for 580, 590
Projects completed, 1956 563
Status of 17
Trust funds, status of 575, 583
Unprogramed balances 567
Forest highways 220, 536, 554, 570, 576, 598
Apportionments 570
Funds, status of 572
Mileage of 571
Obligations 533, 601
Unexpended balances 532
Inter-American Highway 17, 220, 551, 555, 577, 611
Jones Point Bridge, status of 30, 582
Personnel 578, 581
Public lands highways 220, 555, 573, 576, 606
Allocations 573
Obligations 609

R

Retirement fund, contribution to 10, 25

S

Savings in 1957 34
Secretary, statement of 1, 521
Area assistance legislation 528, 537, 544
Budget, 1958, size of 29, 30, 525, 527
Budgets, 1954–57, committee markup on 526
Federal-aid airport program 522
Forest highways program 523, 532
General statement of 3
Grants in aid and loans 537, 540
Increase in cost of Government and the expanding economy 538
Personnel:
Number of 31
Reduction since 1953 39
Savings in 1957 34
Small-business activity 40
Statement to press, discussion of 521, 537, 540
Strategic information, recommendation for abolishment of 20
TACAN, merits of 529

Page

Secretary, statement of—Continued
Television appearance 521
Timber sales 532
Transportation of persons and things, central control of expenditures for 542
VORTAC. (See this title, this index.)
Small-business activity 40
Supplemental appropriations, 1954–56 36

T

Transfer of funds within appropriations 55, 63, 87, 90, 114, 154, 499, 501, 505, 513
Transportation, statement of Undersecretary of 217

V

VORTAC:
Accuracy of systems 231, 320
Air Coordinating Committee, recommendation of 235, 263, 273
Berquist, Maj. Gen. K. P., USAF, statement of 333
Coast and Geodetic Survey, work of 108, 109, 112, 120
Commercial carriers, installation by 38, 233
Comparative cost of 322
Dual azimuth capability 319, 324
Duplication in systems 229, 231
Estimates for 318
Evaluation of equipments 236
Financing of 224, 225
History of program 227
Performance of 227
Purchase of equipment, decision for 37, 218, 222
SAGE system, use of 223, 274, 277
Siting problem for VOR 230

W

Weather Bureau 9, 20, 220, 480
Meteorological facilities, establishment of 20, 516
Salaries and expenses 484
Administration 501
General weather services 488
Administrative personnel, use of research funds for 501
Air Force, importance of program to 494
Chicago airports, weather facilities at 493
"Flossy," inadequate reporting on hurricane 511
International flights, services for 491
Positions, increase during 1957, over budget presentation 499
Safety of aircraft in flight 488, 496
Weather observation facilities 492, 498
Obligations 487, 512
Research 500, 504
Deferment of projects 509
Salary increases, use of funds for 505, 513

RELATED AGENCIES

A

Advisory Committee on Weather Control 825

C

Civil Aeronautics Board 896
Air carriers, net worth of 951
Air carriers, payments to 898, 904, 911
Fare investigation 941
Local carriers, service pay to 932, 949
Mixed aircraft, ratefixing for 942, 945
Panamerican Airways, financial relationships with affiliates 914
Rate activity, increase in 924
Rates, supervision of 910, 944, 946
Separation of service mail pay and subsidies 938, 947
